Life IN MOTION BAY MEADOWS

Get ready for upcoming sales events by pre-qualifying with our preferred lenders today. Pre-approval must be completed with our specified Preferred Lenders to participate in sales events at Bay Meadows. In the case of Canterbury by TRI Pointe Homes, you can select between two options. To complete the pre-qualification process, you will need your:

- last two years of W2s

- last two years of tax returns

Upon completing and submitting the online forms, a mortgage specialist will contact you and the individual neghborhoods with an update on your pre-qualification status. Once your pre-qualification is approved, you will be contacted by a Sales Representative to review opportunities to purchase.
