

Learn how to
PREQUALIFY

Get ready for upcoming sales events by pre-qualifying with our preferred lenders today. Pre-approval must be completed with our specified Preferred Lenders to participate in sales events at Bay Meadows. To complete the pre-qualification process, you will need your:

- last two years of W2s
- last three months of paystubs
- last two months of bank statements
- last two years of tax returns

Upon completing and submitting the online forms, a mortgage specialist will contact you and the individual neighborhoods with an update on your pre-qualification status. Once your pre-qualification is approved, you will be contacted by a Sales Representative to review opportunities to purchase.
